Dear Sir,

In reply to your favour of 5th inst. I beg to say that I have sent you already some catalogues in former years, for instance of the Ilex-collection in 1908 and of Sir Holzmanns Cabinet in 1910. As you write that you want all my catalogues I presume that you are an universal collector, and I suppose that you should have found some items to buy in those catalogues. Today I send you my price-catalogue 1912 and shall be glad to receive your orders. In this case I shall willingly continue sending you my catalogues.

Hoping to hear from you I am, dear Sir,

yours very truly

Adolph Hess Nachf
